

The background of the slide is a light gray gradient. It is decorated with numerous realistic water droplets of various sizes. Some droplets are large and prominent, while others are small and subtle. They are scattered across the slide, with a higher concentration in the top-left and bottom-right corners. Each droplet has a soft highlight and a subtle shadow, giving it a three-dimensional appearance.

About me

Presentation By Wali Muhammad

Introduction

- Assalam o Alaikum
 - name is Wali Muhammad
 - I am a 12th-grade student
- 

Personality Traits

- Hardworking
 - Disciplined
 - Positive-minded
- 

Academic Achievements

- Performed well in studies
- Strong interest in Biology
- Always focused and consistent

Skills Learned in This Course

- MS Word
 - Excel
 - PowerPoint
 - Improved presentation skills
- 

Strengths & Weaknesses

- Strengths:
Hard work, discipline, confidence Quick learning, consistency
 - Weakness:
Sometimes I give extra time to small details But I use it as a way to learn & improve
- 

Future Goal / Role Model

FUTURE GOAL:

- Build my career in the Medical Field
